

# Guiados por Dios o rechazados por Dios

No hay otras alternativas para guiar al pueblo de Dios

# Teoría del gran hombre

1

In the 1840s Thomas Carlyle suggests  
**great leaders are born, not made.**

Rasgos de liderazgo intrínsecos  
Definiendo un líder destinado:

Inteligencia

Sociabilidad

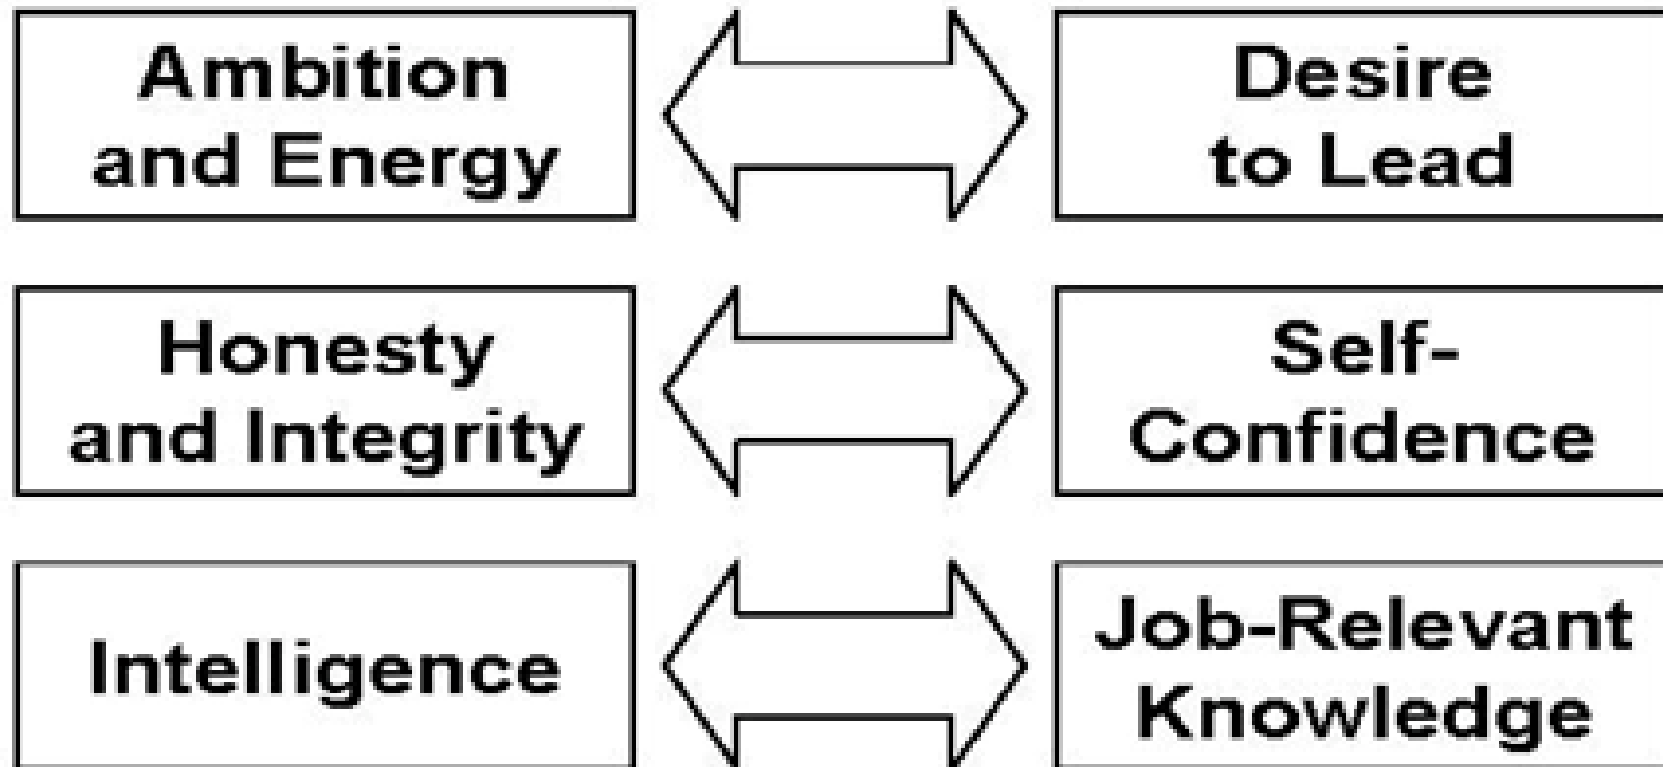

Confianza

Carisma

# Trait Theories of Leadership

# Conducta

- Ningún estilo de liderazgo es mejor en todas las situaciones
- El éxito depende de una serie de variables, incluyendo el estilo de liderazgo, las cualidades de los seguidores y los aspectos de la situación

Teoría de la contingencia

# Liderazgo carismático

## QUALITIES OF A CHARISMATIC LEADER

The Charismatic Leader gathers followers through dint of personality and charm, rather than any form of external power or authority. Some prominent qualities of a charismatic leader are as follows:

- Vision
- Speech
- High Principles

# Transaccional

## DEFINITION

- **Transactional leadership** is a style of leadership in which the leader promotes compliance of his followers through both rewards and punishments. Also known as "Management theories" (Odumeru & Ifeanyi, 2013)

## Contemporary Educational Leadership Theories

### 1. Transformational leadership

Shared decision-making, teacher empowerment, understanding & encouraging change, team work, see complete picture, continuous school improvement, foster school community's sense of ownership (Leithwood 1992).
