## President

### Dear leaders and members,

In today's world, the family, which we often hear is the basic building block of society, faces numerous challenges. The Church in Inter-America is committed to ministering to everyone, in spite of the family configuration to which they are identified, and the family is one of the vehicles through which we must seek to fulfill this mission.

While we focus on the social dynamics involving families and provide practical assistance to those in need, we are even more committed to providing spiritual support to all within each society of the Inter-American Division. Spirituality can be a powerful and important source of strength in families and our mission is to bring hope, healing, and restoration to all. The ultimate goal is in the Vision statement of the Division, "Every member of the body of Christ living in readiness for the Kingdom of God."

Our message is rooted in the teachings of Jesus and the principles found in the Bible. We believe that by following these teachings, families can experience love, joy, and peace. Through the scriptures, we offer guidance on building strong marriages, raising children with values, navigating the challenges that life throws our way and present Christ as the Savior of all.

The focus of the Church in Inter-America for the year 2024 is "*All the Family in Mission*." Our desire is to help every member experience growth in the faith of Christ and in their commitment to the Seventh-day Adventist Church, as well as serving in their community while influencing others to accept Christ and become members of the Church.

I invite each of you to join us in this mission. Whether you are seeking support for your own family or have a heart to help others, there is a place for you in our community of believers. Together, we can make a difference and bring hope to families around our territory.

Thank you for your support, and may God bless you and your family abundantly as we participate in the initiative "*All the Family in Mission*".

**Project Coordinator,  
Assistant to the President for Evangelism**

## Dear brethren,

As the director of the “*All the Family in Mission*” evangelistic initiative of the Seventh-day Adventist Church here in the Inter-American Division, it is with great joy and enthusiasm that I greet you, as we share our vision for greater social support and an abundant spiritual harvest of families and of all peoples within our territory.

We understand that families come in all shapes and sizes and despite their varying characteristics, they are experiencing difficulties in one form or the other. As a church, we are committed to providing support and resources so that all of our members can be involved in mission, motivating families who have not yet done so to accept Christ and for those who have already accepted Him, to grow in their faith.

So, whether you are a single person, a single parent, in a blended family, or facing any other unique circumstance, we invite every member of the church to participate in this special mission initiative. Strong, healthy churches and societies are built on the foundation of socially and spiritually healthy families who are in mission for our Lord.

Through the *All the Family in Mission* evangelistic initiative, we aim to bring hope, healing, and restoration not just to families, but to all who need a transformation provided only through Christ. The program is composed of four important segments:

- Growing in the faith
- Serving in the community
- Sharing the faith and
- Reaping for the Kingdom of God.

I again invite every member of the Seventh-day Adventist Church in Inter-America to join us in this “*All the Family in Mission.*” Together and through the empowerment of the Holy Spirit, let’s work for the salvation of all because He’ll soon be here!

**Personal Ministries Director**

## Dear leaders,

As part of the celebration of the year *"All the Family in Mission"*, the Division has created a favorable environment, with timely materials for the spiritual and missionary growth of all members of the church in the context of TMI.

We want to emphasize four important aspects for Interamerican families in 2024:

- Firstly, that families grow in faith,
- Secondly that they get involved in the community, with a missionary project
- Thirdly, that they share the gospel with other families and
- Fourthly that they take a friendly family to the Kingdom of heaven;

For these objectives we have created a strategy and appropriate materials, with the purpose that in an agile and very friendly way, families can understand and learn basic aspects of the Bible that help them in their spiritual growth in order to share their faith with others.

# SPECIFIC OBJECTIVES

To enhance the involvement of all members of the church to reach families in fulfillment of the mission.

To experience a greater spirit of collaboration in the proclamation of the gospel as stated in Matthew 28:18-20.

To execute inclusive evangelism programs by various ministries of the church in the Division to reach families and people of all social classes in the community.

To experience spiritual growth in families and numeric growth within the church.

## BIBLICAL BASIS

This verse highlights the potential for entire households to be impacted by an individual's faith.

Acts 16:31: "They replied, 'Believe in the Lord Jesus, and you will be saved—you and your household'".

Here, the emphasis is on teaching God's commandments and principles to the next generation, ensuring that the faith is passed down within the family.

Deuteronomy 6:6-7: "These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."

This verse highlights the importance of caring for one's family and meeting their needs, including their spiritual well-being.

***1 Timothy 5:8: "But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever."***

# *Spirit of Prophecy*

## FOUNDATION

"For forty years of disbelief, murmuring and rebellion excluded ancient Israel from the land of Canaan. The same sins have delayed the entry of modern Israel into the heavenly Canaan. In no case were God's promises at fault ...

It is disbelief, worldliness, lack of consecration and contention among the professed of the Lord that has kept us in this world of sin and sadness for so many years. "  
(*Ev. p. 696*).

"The Holy Spirit must be present in the heart to sanctify the soul and make it a partaker of the divine nature.

The Holy Spirit must be with every teacher who presents the Word, that the Word may not be presented in word only, but in the demonstration of the Spirit and with power"  
(*Last Day Events p.39*)

"Christ is waiting with longing desire for the manifestation of Himself in His church. When the character of Christ shall be perfectly reproduced in His people, then He will come to claim them as His own."

## BALVIN BRAHAM

### THE OBJECTIVE:

To motivate all members of the church to utilize their God given gifts and talents to share the gospel with others and influence them to accept Christ as their Savior.

### IMPORTANT INGREDIENTS:

The following are important ingredients that every member of the church and the family need to possess in order to effectively share the gospel with others.

**1. Prayer:** Seek guidance from God through prayer, asking for wisdom, discernment, and opportunities to share the gospel. Pray for the hearts and minds of those you encounter, that they may be receptive to the message of Christ.

**2. Authenticity:** Be genuine and sincere in sharing your Christian faith. Let your words and actions align with your beliefs, reflecting the love and grace of Christ.

**3. Respect:** Approach others with respect and empathy, recognizing that everyone is on their own spiritual journey. Listen attentively to their perspectives and experiences without judgment.

**4. Relationship:** Build meaningful relationships with others, investing time and effort to understand their needs, struggles, and aspirations. By demonstrating care and compassion, you create a foundation of trust and openness.

**5. Personal Testimony:** Share your own personal experiences and stories of how your faith has impacted your life. Be authentic and vulnerable, allowing others to see the transformation and hope that Christ brings.

**6. Knowledge:** Equip yourself with knowledge about the Christian faith, including biblical teachings, theological concepts, and apologetics. This will enable you to address questions and doubts that others may have.

**7. Relevance:** Connect your faith to the everyday lives of those you interact with. Show how the teachings of Christ can provide guidance, purpose, and fulfillment in various areas such as relationships, work, and personal struggles.

**8. Invitation:** Extend an invitation for others to explore and experience the Christian faith. Offer opportunities to attend church services, Bible studies, or other church gatherings where they can learn more and engage with the community of believers.

**9. Patience and Grace:** Recognize that sharing your faith is a process that may take time. Be patient with others, respecting their journey and allowing them to ask questions and express doubts. Show grace and understanding, knowing that God works in His own timing.

**10. Love:** Let love be the foundation of your interactions and conversations. Demonstrate Christian love through acts of kindness, compassion, and selflessness. Love others unconditionally, just as Christ loves us.

## RESOURCES FOR SHARING THE GOSPEL

Please see Chapter 6 of the Book: *A Practical Guide for Evangelism How to Win and Keep Members 2nd Edition* by Balvin Braham for practical details on how you can share your faith at: [iadsharingthegospel.com](http://iadsharingthegospel.com)

### Inspired Support for Evangelistic Visitation

Inspiration places great emphasis on the one-to-one evangelistic method. "The work of Christ was made up largely of personal interviews. He had a faithful regard for the one-soul audience. From that one soul the intelligence received was carried to thousands" (*Testimonies for the Church, vol. 6, chap. 13, p. 115*).

Christ's followers employed this same method of preaching the gospel. Acts 8:26–40 relates how Philip's one-to-one interview with the Ethiopian eunuch resulted in this important government official accepting Jesus.

**Every believer should have the desire for evangelistic visitations to culminate in decisions for Christ. There are various types of evangelistic visitations that one may engage in. In this section, we will focus on only three types:**

**1. New-interest visits:** [iadsharingthegospel.com](http://iadsharingthegospel.com)

New-interest visits are those that believers make to persons with whom they have not had a one-to-one relationship and whom they desire to influence to Christ. Initiating this kind of visit does not require the believer to focus directly on salvation issues, but rather to build a social relationship and eventually shift attention to the spiritual mission.

**2. Sequel visits:** [iadsharingthegospel.com](http://iadsharingthegospel.com)

So the new-interest visits have gone well, the transition has taken place, and now dialogue has begun regarding spiritual issues. Or this might be a case in which a person has been referred for visits due to their interest in discussing a particular point of faith. They may have attended a religious meeting and responded to a call, and the purpose of the visit will be to continue discussion. It may even be that they have indicated their desire to follow Jesus, thus the need for a sequel visit.

A series of Bible study lesson guides would prove very useful in this endeavor. A series of Bible study lessons can be one of the best tools to ensure a systematic order of witnessing and responding to particular needs. It is always important to ensure that the person's questions are answered satisfactorily.

**3. Decision visits:** [iadsharingthegospel.com](http://iadsharingthegospel.com)

When a prospect has been engaged in dialogue regarding issues involving their eternal destiny, and the time comes for them to make a specific decision to follow the Lord in baptism, it is time for the decision visit. This visit may or may not follow previous new-interest and sequel visits, but the person is now at the point of making this decision that is so important for their eternal destiny. This visit should focus specifically on that purpose.

Please obtain the complete guide to evangelistic visitation at this link: [iadsharingthegospel.com](http://iadsharingthegospel.com)

## **Retention and discipleship stage begins**

1. Celebrate all newly baptized members during the year 2024.
2. Conduct special nurturing service to spiritually motivate all members in the faith.
3. Provide seminars on the importance of maintaining the faith.
4. Have potluck in all territories of the division where members eat together.

## The objective:

To provide support and resources to new members and those who nurture them, to remain faithful to Christ and the Seventh-day Adventist Church.

New members are born of the Holy Spirit. Jesus used the phrase “born again” to refer to the beginning of conversion. He indicated that the Holy Spirit begins the work of conversion in the minds of new members. They are “born of the Spirit” (John 3:6), which means conversion originates from the Holy Spirit.

### FIVE MANIFESTATIONS OF CONVERSION IN NEW MEMBERS

#### A NEW MIND

Conversion is a gradual transition from an old life to a new life. The Holy Spirit renews the minds of new members. Paul admonished Christians to be “transformed by the renewing of their minds” (Rom 12:2). New thoughts should occupy their minds; thoughts that are noble, lofty, pure, and honorable. The mind of Christ permeates their thought patterns.

#### A NEW AFFECTION

New members have a new affection/love for Christ. While they were yet sinners, Christ died for them. They were buried with Him in baptism and rose with Him in the power of His resurrection. They are now alive in Christ and this new affection gives them unspeakable joy. Paul gives the reasons for the new affection: “Therefore being justified by faith, we have peace with God through our Lord Jesus Christ: By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God” (Rom 5:1-3).

#### A FERVENT ZEAL FOR JESUS

New members have a fresh zeal to labor for their Lord. Love kindles their zeal to participate in the body of Christ. I have observed that New members are the first to arrive at church services because they are eager to participate in worship services, club meetings, choir, and other ministries. Service is not a duty. It is an act of love to Jesus. Paul had zeal to persecute Jewish Christians. After his conversion, he channeled his zeal to reaching Gentiles with the Good News about Jesus the Messiah. Love influences our zeal for ministry and relationships with others.

#### A HOLY CONDUCT

New members strive to be consistent in their conduct. Paul urged the Colossian Christians to walk worthy of the Lord, fully pleasing him, being fruitful in all good work...” (Col 1:10). The conduct of New members reflects the attributes of Jesus and includes “tenderness, mercy, kindness, humility, meekness, forgiving one another, and bearing one another’s burdens” (3:12, 13). New members live in the hope of a brighter future with Christ.

## HOPE

Hope is the anticipation of a reality yet to come. New Members rejoice in hope of the “glory of God” (Rom 5:2) and they anticipate a “city whose maker and builder is God” (Heb 11:10). In that city, God shall wipe away all tears from their eyes. This hope affirms and sustains their faith in Christ.

**Leader:** Considering the need to enhance the involvement of all members of the church in the mission of our Lord to reach all members of the families across the territory of the Inter-American Division,

**Directors:** We, the directors of this division, commit to motivate and inspire all leaders and members within each union of the division to be involved in the mission.  
Lord, ignite our hearts to work unitedly to reach families for Christ.

**Leader:** To experience a greater spirit of collaboration in the proclamation of the gospel as stated in Matthew 28:18-20,

**Directors:** We, the directors are committed to motivating the leaders of the ministries that we lead, to always work in collaboration with leaders of other ministries as together we seek to fulfill the gospel commission. Grant us wisdom, O Lord, in all that we do. Guide us in our actions, our thoughts, and words too. May we lead with humility, compassion, and grace, inspiring others to seek your love.

**Leader:** To execute inclusive evangelism programs by various ministries of the church in the Division to reach families and people of all social classes in the community,

**Directors:** We, the directors are committed to motivating the leaders of the ministries that we lead to organize, train and deploy the members to work corporately and harmoniously as a team, supporting one another, to fulfill our dream, that together we might reach, evangelize and reap persons of all social classes within the community, to accept Jesus as their personal Savior.

**Leader:** To experience spiritual growth in families and numeric growth within the church,

**Directors:** We, the directors are committed to motivating the leaders and members of the ministries that we lead, to accept the relevant training and resources that we make available, to personally grow in their faith with Jesus, to capture the vision to see beyond the present, to envision a future where families are bringing hope, healing, and love to others and influencing them to become members of the body of believers.

**All:** Grant us unity, O Lord, as we labor side by side, bound together in love with our differences set aside. May we respect and honor one another’s role, creating an environment where all can feel whole. We, the directors of the Inter-American Division are committed to collaborating with all the other directors here in the Division along with those in the unions and local fields to ensure that, through the power of the Holy Spirit, we experience *All the Family in Mission*.
